Guest Lecture on "Low-Cost Housing"

Organized by:

BUILDERS CLUB

Under the
Department of Civil Engineering
on
15th December 2022

Submitted by: Dr. Priyam Nath Bhowmik (FIC-Builders Club), Assistant Professor in the Department of Civil Engineering, Madanapalle Institute of Technology & Science (MITS).

Dignitaries Present: Dr. M.L. Vara Prasad, Associate Professor, Department of Civil Engineering, National Institute of Technology Silchar (NITS).

Dr. P. Ramanathan, Professor, Department of ECE and Vice-Principal Academics, Madanapalle Institute of Technology & Science, Madanapalle.

Dr. Dipankar Roy, Professor & Head, Department of Civil Engineering, Madanapalle Institute of Technology & Science, Madanapalle.

Resource Person: Dr. M. L. V. Prasad pursued B. Tech in Civil Engineering from S. V. University, Tirupathi, Andhra Pradesh in 1999 and M. Tech in Structural & Construction Engineering from Kakatiya University, Warangal, Telangana in 2004. Later Pursued Ph.D. from National Institute of Technology Warangal, Telangana in 2012. At present he is working as an Associate Professor, Civil Engineering Department, NIT, Silchar. Here, he extended research work in the directions of new concrete materials like, Behavior of Eco-Friendly Self Compacting Concrete in cyclic loading by considering dynamic and Earthquake analysis. Further he Extended the work in the field of new materials in construction,

especially in the mechanical and durability properties of new concrete materials used with different areas like fiber reinforced concretes, self-compacting concrete, geopolymer concrete, recycled aggregate concrete, eco-friendly materials and sustainability concepts. He has 2 patents under his name, 21 international journal publication

in reputed journals, 17 international conference and 8 book chapters. He is the member of various bodies like Institute of Engineers, Indian Society for Technical Education, American Society of Civil Engineers and Indian Concrete Institute. He is currently the Associate Dean (P&D) at NIT Silchar. He has also conducted many conferences and workshops and also been a key speaker in various events.

Objective of the Program: The main moto of the lecture session was to bring in the urge of interest for innovative materials in low-cost housing. The mass target of the session were the civil engineering undergraduates. The session was very helpful for the civil engineering students to get ideas on the new materials that are being used for the construction of low-cost housing. The students also learnt about new innovative materials for construction which has led to research curiosity among the young minds.

Event details:

The Builders Club under the Department of Civil Engineering, in association with the SAC MITS, have organized a Guest lecture on "Low-Cost Housing" on 15th December 2022 from 10:00 am to 11:30 am at seminar hall-A in hybrid mode. The virtual event began with the welcome speech by Dr. P. Ramanathan (Vice Principal Academics) and Dr. Dipankar Roy (HOD, Civil Engineering), followed by the opening speech of Dr. Priyam Nath Bhowmik (FIC- Builders Club). The session started at 10 am with a prior briefing about the resource person of the day Dr. M.L.V Prasad by A. Vyshnavi (Student Co-Ordinator, Builders Club). The session was very good and the seminar hall was occupied to its fullest. The total count of the participants was 138 from the Department of Civil Engineering, MITS Madanapalle. The guest lecture session was supported by the respected management of MITS, Madanapalle and also the Student Activity Center (SAC). The session maintained the expected quality from the resource person, and was open to discuss queries of the participants. The session was extended for 10 mins and ended at 11: 40 am. The session was concluded and followed by vote of thanks given by Dr. Priyam Nath Bhowmik, Assistant Professor, Department of Civil Engineering. We are extremely thankful to MITS institution and

management, Principal MITS, Student Activity Center (SAC) for their continuous support to make this event a sparkling successful one.

Topics Discussed:

- > Different types of building construction.
- New materials for the use of construction in building.
- ➤ Difference between High Strength Concrete and High-Performance Concrete.
- Latest technologies in building low-cost houses.
- ➤ Pre-Cast construction materials for buildings.

Target Audience:

B. Tech undergraduates from Civil Engineering Department.

Take-away from the session:

- ➤ The Civil Engineering undergraduates learned about the new construction materials.
- > The young minds were equipped with the techniques to construct economical buildings.
- Research interest in Material Science (for Civil Engineering constructions).

Captured Moments:

Respected Dr.M.L.V Prasad,

Sir, I hope this message finds you well. I am honored to invite you to be the quest speaker at our very first event of Builders Club. Our event is to be held on 15/12/2022 from 10:00 am to 11:30 am at the Seminar Hall A/B in Madanapalle Institute of Technology and Science (MITS). We know that you are a terrific speaker and our attendees and delegates will gain much from your talk on"Low Cost Housing and new materials in Construction". This Guest Lecture is an event being hosted by the Departmet of Civil Engineering, MITS College under the roof of Builders Club. We expect our audience to be in the region of 100 to 150. Our goal is to bring keen interest in Civil engineering new potentials to the Civil Engineering graduates from the college, together to give them inspiration about what this event is hoping to achieve with our program for igniting young minds about the Low Cost Housing and the new advancements in construction materials. We want to provoke discussion about the program and raise awareness of research in the young minds. Talking about the Club, The Builders Club is a newly formed club in the department with a target to bring innovation and innovative ideas in the field of Civil Engineering. The Club is looked after by the Faculty in-charge: Dr. Priyam Nath Bhowmik and Student Co-Ordinator: A. Vyshnavi under the effective guidance of HOD: Dr. Dipankar Roy along with active student members. We would be overwhelmed if you accept our invitation for the same. Waiting for your kind reply.

with warm regards,

Dr. Priyam Nath Bhowmik. Assistant ProfessorDepartment of Civil Engineering **MITS**, Andhra Pradesh
