Report: (26-07-15)

To the best of its day, amidst glorious attendance of parents and students, Orientation Program started exactly at 11' 0 clock. The theme of the day was introduced by Mrs. M. Parvathi. The program was started with jyothi prajwalanam and then invocation recited by senior students of MITS. The Principal made welcome address and gave a constructive presentation about policies and principles of the college. The Guest of honor Dr. B. N. Yuvaraj stressed the significance of industrial education to attaining good placements in future. The honorable Chairman Sri N. Krishna Kumar delivered his speech on the role of students and parents.

Aample importance to be given for discipline and regularity of attendance. All the Heads of the departments were very keen and careful to assure the students for their best academic record and explained how to explore opportunities to be successful in their respective field. They were also very much thankful to the parents for the trust they put in MITS, The TPO elaborated on the need and importance of the training programs that will be conducted in regular intervals for a successful career.

It was the turn of parents then, which was a spotlight to the program since the college received good amount of complements regarding team work, the way the function was organized, an intelligent team of HoDs, sprawling and beautiful landscape and greenery of the campus and that they were delighted to choose MITS for a bright career. The guests were offered lunch along with snacks and tea. The session was over by 2.40 PM followed by visit of parents to the departments and other important places as such, while students were made to attend a class in their respective rooms.

2. Fresher's Day Celebrations Cultural program

MADANAPALLE INSTITUTE OF TECHNOLOGY AND SCIENCE, MADANAPALLE mits.ac.in

CIRCULAR NO. 35 - DATED : 25.08.2015

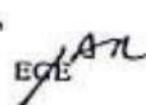

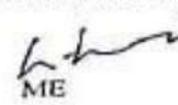

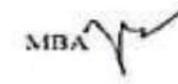

Dear Students & Staff,

You are cordially invited to attend and actively participate in the Freshers' Day celebrations to be held on 26 August 2015, tomorrow at 3:45 PM, without fail.

It is mandatory to attend the Freshers' Day with ID Cards. All the students are requested to maintain discipline and behave decently during the events to maintain the reputation of the institute.

2. Fresher's Day Celebrations Cultural program

Report: (29/08/2015)

Envisaging a new world of joy and pomp, Fresher's of Madanapalle Institute of Technology and Science (MITS) exhilarated by celebrating Fresher's Day on 26th August, 2015 in the college grounds. It was all of entertainment, music games and greetings to one another in the fervour. Freshers from different places gathered to give their presence before senior students by entertaining them with various art forms. They sought their co-operation all through the years they are going to make the way for their career. The endearing seniors and super seniors were also no less in extending support to freshers. They altogether remembered the achievements of MITS College in the past years and especially the passed out students who secured peak positions in various domains. It was a laudable sight watching most of the youngsters excel in giving best performances on stage.

Mimicries are the most attractive and splendid performances in spot light. The drizzling in between tried to curb the gathering but, students enjoyed a lot throughout the celebration. Prizes were distributed to the winners of various games conducted for fresher's in the presence of Physical Director of the college. On the whole, the celebration hosted a good deal between freshers and seniors of the college. The function began with a melodious music and ended showcasing fine talent in different styles of music and dance. The Fresher's party was so grand, overwhelming and entertaining and was the ultimate welcome given to the Freshers! The Management, the principal & staff wishes all the Fresher's a happy 4 years, 4 deciding years of life... wishing luck with their dreams...to work hard and live the dreams!! Have fun.

MITS celebrated Freshers Day party on the campus on 26th August 15. The Chief Guest **Dr. S. Krishnaiah**, Registrar of JNTUA, Anantapur, spoke about the priority to be given to the students to excel themselves in different aspects of life. He instilled the thought of enriching oneself with good attitude is as necessary as hard work in academic career. Exposure to fields beyond has become wide range of necessity in the present scenario of job hunt, headed. Senior students added flavours to Freshers' Day celebration by presenting simple yet cleverly choreographed songs which pass the message of being a good student and a good human being in the society.

7. Ashv_ the Race of Talent-Culturals

Report:

Ashv_The race of Talent@16, A Two Day National Level Cultural Fest has been flamboyantly celebrated on March 11th and 12th 2016 in the campus grounds. It's been two months' work on wheels to make it a grand success by the team work of faculty Advisory committee, Planning committee, executive committee and student General body of Campus coordinators, associate coordinators and Section coordinators. On the first day, the 11th March, the program was started on a simple note with invocation followed by principal Dr. C. Yuvraj opening remarks.

As per the timing chart provided to participants, Cultural events adored the stage up to 5 O' clock in different categories elaborated in the website. Formal inauguration with guests to evening Mr. Ahwin Babu and Mr. Phanikanth in the presence of our beloved secretary and Correspondent Sri. N. Vijaya Bhaskar Choudary was a jubilant one. The convener D. Athar Samina Khan exerted the significance of arts and culture in her opening remarks. Students exhilarated with interaction carried over by Ashwin Babu from the stage to the crowds in the gallery. The guest encouraged the students with several important aspects that show the pathway for successful career of students.

At 6pm there was absolutely exiting and amazing performances by Mallikarjun and Gopika Poornima, The Telugu play back singers making the night an unforgettable one with their singing talents. Different acts were presented during the concert which highlighted the program. Snacks were served to the crowds at 7.30pm. The first day came to an end at 10 pm.

The II Day (12-03-2016) was even more There was charming skits presented by Jabardasth team on the stage. Students were delighted and cheerful during the two days of fest. Food was served @7pm to the crowds.

There were 102 participants presented themselves and competed with more than 150 MITSians for two days in various categories of different events. 19 business stalls were erected during the fest along with stalls provided to sponsors.

The convener along with Advisory team extends her heartfelt thanks to the Principal, Management and teaching and non-teaching staff for giving their support to ashv-16.

Report:

International Women's Day honors the women who have paved the path towards our progress and struggled to take 'womanhood' to a level where it is now. Unfortunately, at the same time, the day is a reminder of the discrimination and inequality that still continue to plague our society. This special day, dedicated to women around the world, is a celebration of the great success of women across all spheres of life as well as shaping the future.

Women's Day celebrates the role of women as a daughter, a wife, a mother, a sister and a homemaker.

MITC ICC celebrated Women's Day for girl students & lady staff members on 8 March 2016 at 3 PM in the Main Seminar Hall.

Dr G Hampamma, Vice Principal – Administration, inaugurated the program and illuminated the importance of women and stated "A woman is the epitome of love, sacrifice, care and ability to nurture life. Women fight with all odds to emerge as a winner."

Dr Rosalia H Bonjour, HoD Department of English & Foreign Languages, highlighted "Dr Geetha Devi, ICC Chairperson, highlighted "The true essence of the day lies in identifying the rights and power of women and giving them a stature that they deserve."

All the speakers shared their opinion on the importance of women's day. Games like antakshari, tenni koit, musical chairs and tug of war were conducted for the participants and prizes were distributed. Finally, the program was concluded with a vote of thanks by students.

9. Annual Day Celebrations Cultural

Report:

Annual Day is an epilogue of an academic session. It brings a beautiful climax to the various enriching events held throughout the year. It is a ceremony to celebrate the culmination of a learning session. The programme commenced with the lighting of the lamp by the Chief Guest and other dignitaries on the dias. Mrs. K. Latha, Asst. Professor, presented the opening remarks. Dr. C. Yuvaraj, Principal, presented a compendious annual report delineating the various milestones achieved by the faculty and students of MITS. Later, Sri N. Krishna Kumar, Chairman in his speech emphasized that MITS has grown through leaps and bounds. The Management of MITS has set a vision to see MITS as an International University and exhorted every faculty of MITS to make it a reality.

Dr. Suryanarayana Raju, Professor, Dept. of Mechanical Engineering proposed vote of thanks for the occasion.

MITS celebrated its 18th Annual Day on the 13th of April, 2016 amidst great zest, vibrance and elation. Dr. N.V.R. Naidu, Principal and Professor at M.S. Ramaiah Institute of Technology was the esteemed Chief Guest. The Chief Guest, Dr. N.V.R. Naidu in his address said that technical youth is the backbone of the nation. He further added that students need to focus on research and get trained to become competent enough in the modern world. MITS fosters and acknowledges excellence of its students and faculty by recognizing and rewarding them. To acclaim the achievement of MITSians, 40 Academic Excellence Awards were given to students from various streams of B.Tech, M.Tech, Diploma, MBA & MCA. 1 Best Teacher award and 2 Best Researcher awards were given to faculty members.

A National Level Students' Cultural Event on 13-04-2016

To

The Principal / Director

Dear Sir / Madam,

Sub: Invitation for a National Level Students' Cultural Event "CITA '16"
Reg.

We are glad to inform you that the Department of Civil Engineering, MITS, Madanapalle is organizing a one day National Level Students' Cultural Event "CITA '16" on **13 April 2016**. The events aim at addressing issues pertaining to our Indian tradition. The theme of the program will motivate the students to participate different events (Dance competition , Singing competition , Poetry Drama) to continue our Indian tradition.

Website: www.mits.ac.in

We herewith enclose a brochure and poster for further details. We request you to circulate the same to your students, display it on your notice board and encourage the students to actively participate in this program.

Thanking you

About the College

Madanapalle Institute of Technology and Science (MITS) was established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 30 acre campus. It has a resort like atmosphere, which is refreshing and exhilarating at the same time. The campus comprises of aesthetically designed buildings that are networked by Wi-Fi technology. This institution is established with the modern workshops and labs, computer and internet facilities, seminar halls, well equipped library and sports facilities that provide an excellent learning environment for the students. MITS Offers both UG & PG courses in Mechanical, Electrical & Electronics, Electronics & Communications, Computer Science and Engineering and UG program in Civil Engineering. Further, MITS offers MBA & MCA.

MITS, originated under the auspices of Ratakonda Ranga Reddy Educational Academy under the proactive leadership of **Dr. N. Vijaya Bhaskar Choudary**, M.Com., Ph.D, Secretary & Correspondent and **Sri. N. Krishna Kumar**, M.S. (USA) Chairman of the academy. MITS enjoys constant support and patronage of NRIs with distinguished academic traditions and vast experience in Engineering and Technology. The management is industrious to develop the institution as one of the best centers of academic excellence. MITS, selected for TEQIP-II as one among the Top 25 private Engineering Institutions in the country.

About the Department

The Department of Civil Engineering is started in the year 2014. The department gives deep insight into the discipline and enables promising engineers to acquire skills required to succeed both as an individual and as a professional in industry. Keeping in view of the technological advancement, the department is fortified by the most qualified and experienced faculty. At present the department offers a 4 year B.Tech program.

Registration fee of Rs. 150/- per participant, for which he / she can participate in any of the two events.

Location of the College

MITS is located at Angallu, which is 10 km away from Madanapalle and it is 120 km from Tirupathi, 125 km from Bangalore, 250 km from Chennai and 130 km from Vellore.

Report on

Cultural event- A One Day National Level Technical Symposium

ECLECTICA 2016

Organized by Dept. of ECE- MITS

29 March 2016

Submitted by: Dr. Gautam Narayan, Associate Professor, Dept. of Electronics & Communication Engg.

ECLECTICA 2016 - A One Day National Level Technical Symposium- Cultural event was held on 29th March 2016, organized by Department of ECE. The Symposium comprised: project presentation, poster, paper presentation, coding contest, technical Quiz, group discussion, This symposium cum project expo aimed at bringing out the best from students in displaying their theoretical, practical skills in different areas of electronics and communication engineering and to ensure that students get abundant exposure to the latest developments in the field of electronics and communication engineering.

Dr. M. Chandrashekar, Senior Manager R & D, Bharath Dynamics Limited, Hyderabad attended as the Chief Guest. In his talk he explained the importance of VLSI technology in 5G and Internet of Things (IoT) to the students. He expressed that the research in the field is emerging and is providing much employable opportunities across the world in the area of wireless communications, embedded systems, Nano-technologies & robotics.

Interacting with students Dr. M Chandra Sekhar, stated, “Students need to enhance their command and skills in these fields and need to update themselves in all aspects”. “All our day to day electronic goods like Mobile Phones, Laptops, Mac Book, Musical Players, Tabs etc., can be operated by connecting them to Internet,” he added. He encouraged students and faculty to be a part of the research and development. He concluded that in future in India, Electronics and Communication

The valedictory function started at 4:45 PM. Prizes were distributed to the winners of various events.

**Internet of Things
Explained at Eclectica**

Tirupati: Eclectica-2016, a one-day national level technical symposium and project expo was inaugurated at Madanapalle Institute of Technology & Science(MITS), Madanapalle on Tuesday. M Chandra Sekhar, senior director, Bharat Dynamics Limited, Hyderabad, was the chief guest of the event. He explained the importance of VLSI technology, 5G and Internet of Things (IoT) to the students. He expressed that the research in the field is emerging and is providing much employment opportunities across the world in the area of wireless communication, embedded systems, nanotechnology & robotics. Students should need to enhance their skills in the field and need to update themselves in all aspects, he stressed. He encouraged students and faculty to be part of the research and development in th field. He concluded that in future, in India, electronics and communication would grow and there will be excellent job opportunities to young Indians. Later, nearly 400 students from various colleges participated and competed in six technical events (project presentation, poster, paper presentation, coding contest, technical quiz, group discussion), held in the MITS campus. Chinna Kullayappa, Maheswar, and D Gouse Basha were the judges for the technical events.

13. TERA Cultural Competitions

MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE (UGC - AUTONOMOUS)

Department of Electrical & Electronics Engineering

Report on National Level Cultural Event during the symposium, TERA-2016
Organized by Department of EEE on 01st & 02nd April 2016

Submitted by: Dr. A. Anbarasan, Associate Professor, Department of EEE

A National Level Cultural event - TERA-2016 was organized by the Department of EEE on 01st & 02nd April 2016. The convener of the programme Dr. A. Anbarasan gave opening remarks about the programme. This fest brings significance of sports and cultural to the students. He also reported that initially 56 participants have registered in various events in sports and cultural in two days. Cultural and Sports events take place in competitions at different venues that make everyone excited to watch.

Dr. K.V.R.B. Prasad - Coordinator & HOD of the EEE talked about the importance of cultural fest that it brings inner talent and potentials of students. He expressed her heartfelt thanks to the Management of MITS whose continuous support enriched us with enormous experience in organizing the fest

Dr.C. Yuvaraj, Principal, in his presidential addressed the gathering and said, "Our college lays emphasis on the overall growth of the students – their physical as well as intellectual development. Student talent have expressed a great concern in this fest. He also appreciated the faculty members and students for organizing the programme.

Number of Participants in first day: 20

Number of Participants in Second day: 36

About the College:

Madanapalle Institute of Technology and Science (MIT S) is an autonomous institution that was established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 30 acre campus. It has a resort like atmosphere, which is refreshing and exhilarating at the same time. The UG courses such as ME, CSE, EEE and ECE are accredited by NBA. The college is awarded ISO 9001:2008 certification for the quality policies it is implementing and accredited by NAAC. The campus comprises of aesthetically designed buildings that are networked by Wi-Fi technology. This institution is established with the modern workshops and labs, computer and internet facilities, seminar halls, well equipped library and sports facilities that provide an excellent learning environment for the students. MIT S Offers UG, PG & Ph.D courses in Mechanical, Civil, Electrical & Electronics, Electronics & Communications, Computer Science Engineering, MBA and MCA.

MIT S, originated under the auspices of Ratakonda Ranga Reddy Educational Academy under the proactive leadership of **Dr. N. Vijaya Bhaskar Choudary, M.Com., Ph.D.**, Secretary & Correspondent and **Sri N. Krishna Kumar, M.S. (USA)**, Chairman. MIT S enjoys constant support and patronage of NRIs with distinguished academic traditions and vast experience in Engineering and Technology. The management spares no effort to develop the institution as one of the best centers of academic excellence. MIT S, selected for TEQIP -II as one among the Top 25 private Engineering Institutions in the country.

About the Department:

The Department of Mechanical Engineering was established at the inception of the college. The department offers UG, PG and Ph.D programmes. PG programme being offered with specialization of Advanced Manufacturing Systems. UG course in the department has been accredited by NBA. The course offers a deep insight into the discipline and empowers promising engineers with required skills for a successful career in mechanical engineering. The department is recognized as research and development centre by JNT UA, Anantapuramu to offer doctoral programmes. The department has excellent infrastructure and is well equipped with modern laboratories. The department has highly qualified, experienced, dedicated and motivated faculty with industry and research background.

Location of the College:

MIT S is located at Angallu, which is 10 kms away from Madanapalle and it is 120 kms from Tirupathi, 125 kms from Bangalore, 250 kms from Chennai and 130 kms from Vellore.

14.Mechonance- Cultural Competitions

MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE Department of Mechanical Engineering

Report on Cultural Eevent-28/03/2015

Culturals are an integral part of a student's life. A student should study hard to be successful in competitive examinations. But, he should also participate in Cultural to enjoy the health and vigor of life. Along with bookish learning, a student should spend his time on Cultural also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Cultural remove our mental exhaustion. Cultural are integral part of education. Education without Cultural is incomplete.

Cultural day is a day of honoring and awarding the talented students who are participating in Cultural inside the campus. The various Cultural are helps to reduce stress, enhance the leadership quality and a Good way to meet new people and make new friends for the students. For that our department conducts Cultural for both Men and Women separately.

The Departments of Mechanical Engineering organized Cultural, on 28/03/2015 at Madanapalli Institute of Technology and Science. The Cultural was inaugurated by the Principal, Head of the Department.

The students from various institutions were participated in the various Cultural activities. The chief guest Spoke about the importance of cultural activities encouraged the students to actively participating in all the events.

The following events have been organized for students:

- **DANCE**
- **TRESURE HUNT**
- **TWISTER**
- **GUESSWAHT**
- **RAMP WALK**
- **RAPID FIRE**
- **SLOWBIKE**
- **SINGING**
- **MIMICRY**

The faculty of the department Mechanical Engineering were nominated as panel members for all the Cultural. The winners of all events were awarded with certificates. The total 30 students participated in various events organized for the Cultural meet. A great deal of enthusiasm was seen in the students and faculty members.

The student felt very happy to represent their college in Cultural activity. They put their full effort to win a place in cultural to get name and fame for the department.
